

WORLD'S WORST SOFTWARE COMPANY

Working environment

- Overwhelming atmosphere noise, distractions, mess.
- lack of conditions for comfortable work: dining area, bathroom area, etc.

Communication and organization

- only the manager speaks out ideas and thinks up improvements
- no demand for discussion and feedback
- disrespect and lack of order in the team.
- harassment

Wages and labor policy

- not keeping salary promises
- unpaid overtime
- lack of potential career growth
- no boundaries between working and non-working hours
